COMMUNICATION

Sir:

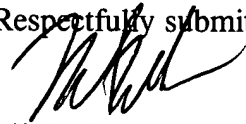

Applicant respectfully submits an executed declaration for the above-identified patent application. It has come to the applicants' attention that a Notice of Acceptance was issued in error on August 12, 2005 (copy attached) for this application. Please note that an executed declaration was not filed with the filing of the application. Under 35 USC 371, the application is not complete until all requirements are met. These requirements include an executed Oath or Declaration. Therefore, applicants respectfully submit the attached executed Declaration.

Additionally, enclosed is a copy of a Preliminary Amendment and the filing postcard receipt. The Preliminary Amendment was filed concurrently with the application. The Preliminary Amendment included amendments to the Title to conform to the English language. It is noted that the Official Filing Receipt does not recognize this Title change. Please amend the title as noted in the Preliminary Amendment and issue a corrected Official Filing Receipt.

The \$130.00 surcharge for filing the declaration after the 30-month national date was paid upon filing of the application on March 3, 2005. Therefore, it is deemed that no fees should be required for filing the declaration at this

time. If it is decided that a fee is required for filing the declaration at this time, the Patent Office is hereby authorized to charge the attorney's Deposit Account No. 50-2041 and asked to notify us accordingly.

Respectfully submitted,

Michael E. Whitham
